NEW RITE OF SENDING for EMHCs to the Homebound/Hospitalized

- Also Beginning First Sunday of Advent:
11/28-29
- OPTIONAL RITE – may also receive
consecrated hosts after Mass

NEW RITE OF SENDING for EMHCs to the Homebound/Hospitalized

HOW IT WORKS:

- BEFORE MASS: place pyx on table by Altar with the number UNCONSECRATED hosts that you will need
- AFTER COMMUNION: Celebrant will call up minister(s), distribute pyx(es) and offer a brief prayer and blessing
- After blessing, EMHCs may either return to pew or leave directly from church

a) Before Mass begins, each Extraordinary Minister of Holy Communion (EMHC) places his or her pyx with an appropriate number of unconsecrated hosts on the altar (or on the tray provided for this purpose.)

b) The pyx(es) are left on the altar during the distribution of Communion and remain there until the Eucharist is reposed in the Tabernacle. If a side table has been provided, the celebrant will move the tray with the pyx(es) containing the consecrated hosts onto it.

c) When Communion has been completed, the celebrant addresses the assembly in these or similar words:

"Will the Extraordinary Minister(s) of Holy Communion who will take the Eucharist to those unable to join us please come forward."

The EMHC(s) approach the altar and take their pyx. They stand in front of the altar, facing the celebrant.

d) Then, using these or similar words, the celebrant addresses the EMHC(s):

"As you go, take with you not only the Sacrament we have celebrated, but also the Word of God which we have heard. Please assure the sick, the lonely and the afflicted that you visit of the prayers of this parish community. Go in peace."

e) The EMHC(s) remain standing. The celebrant invites all to stand and the Prayer after Communion follows.

f) The EMHC(s) may either depart in silence after the "Amen" to the Prayer after Communion or process out with the priest and other ministers.
